

Diurnal variation of 1,2,3-trimethylbenzene at YL Station - 1/2011 to 12/2011

1,2,3-trimethylbenzene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of 1,2,4-trimethylbenzene at YL Station - 1/2011 to 12/2011

1,2,4-trimethylbenzene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of 1,3,5-trimethylbenzene at YL Station - 1/2011 to 12/2011

1,3,5-trimethylbenzene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of 1,3-butadiene at YL Station - 1/2011 to 12/2011

1,3-butadiene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of 1-butene at YL Station - 1/2011 to 12/2011

1-butene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of 1-pentene at YL Station - 1/2011 to 12/2011

1-pentene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Ethane at YL Station - 1/2011 to 12/2011

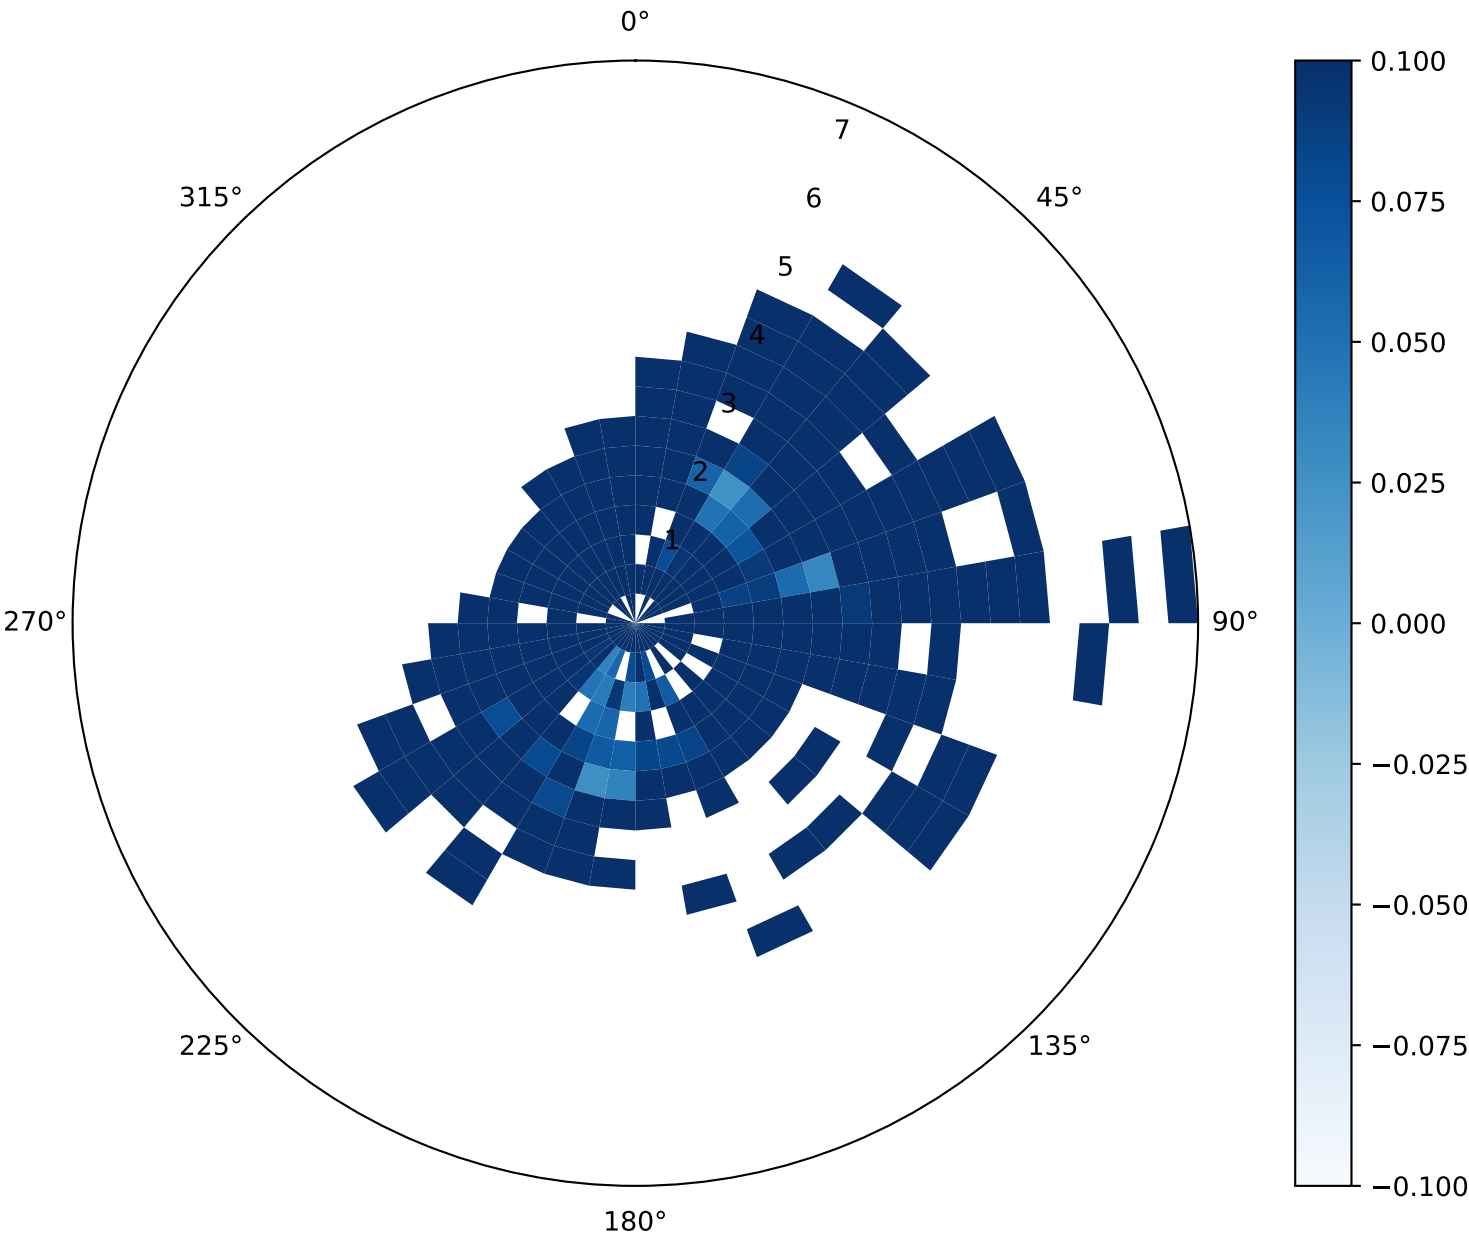

Ethane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Ethane+ethene at YL Station - 1/2011 to 12/2011

Ethane+ethene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Ethene at YL Station - 1/2011 to 12/2011

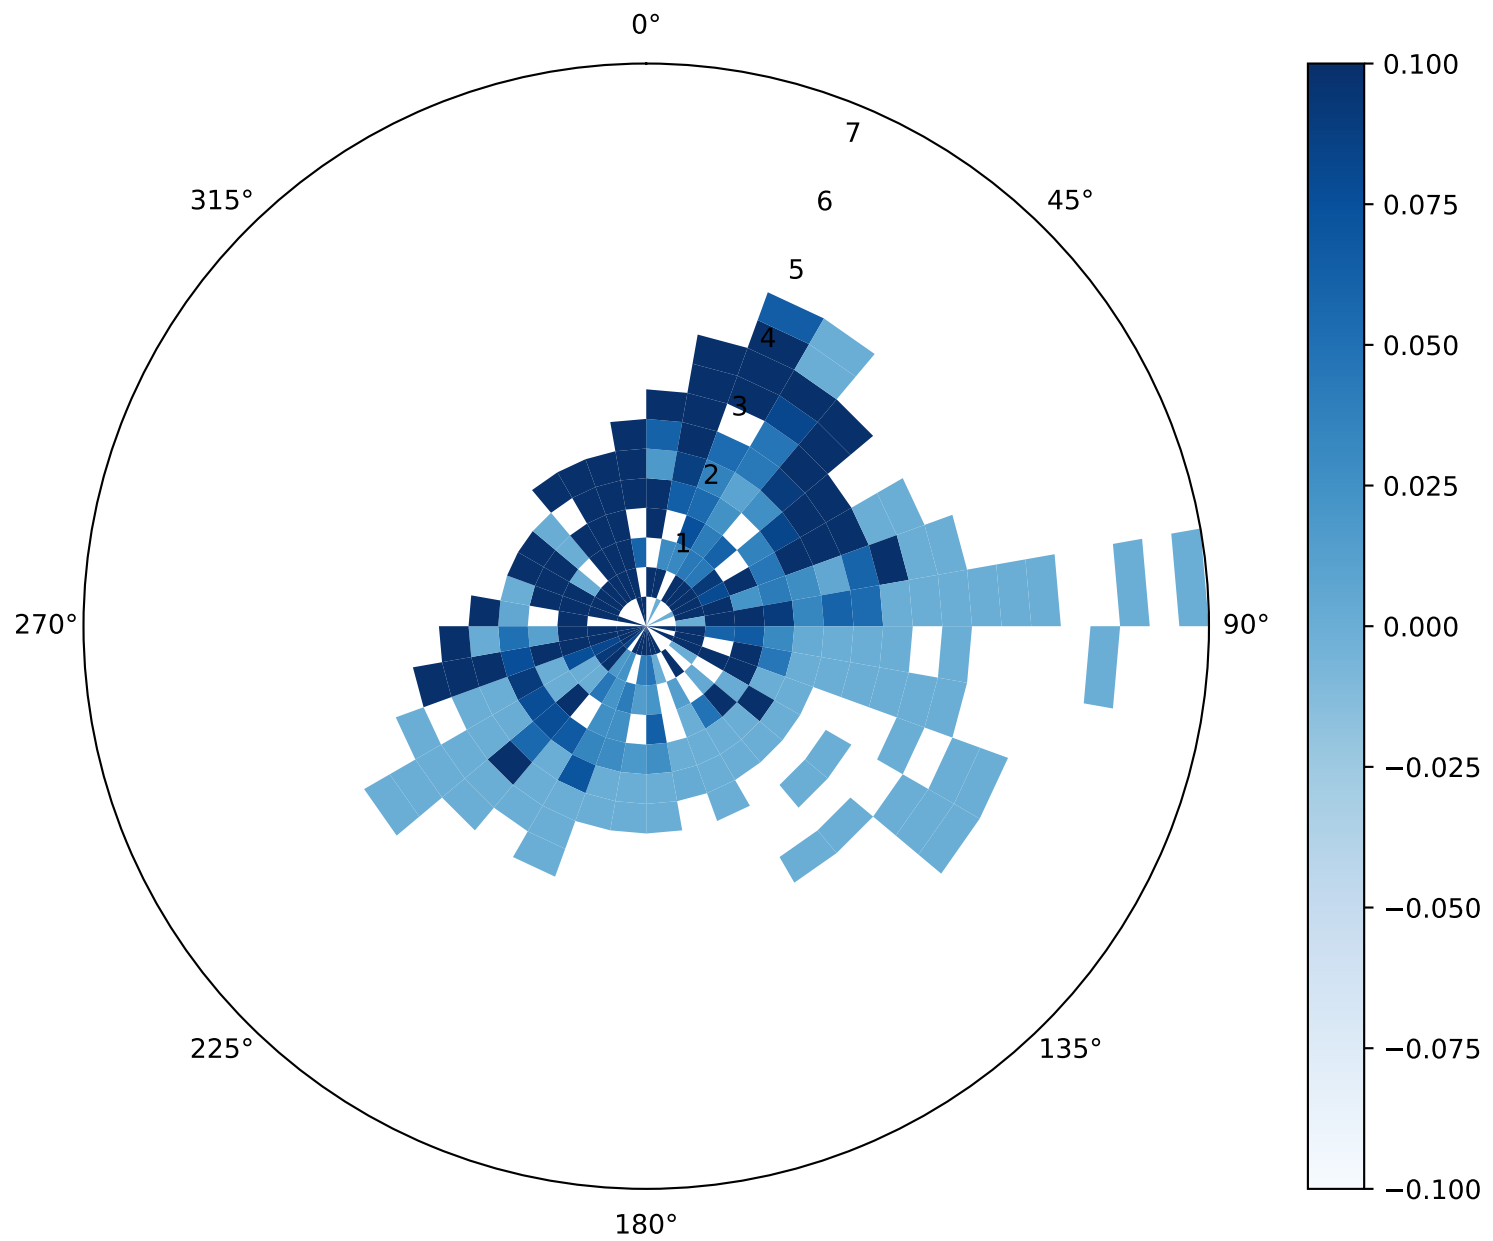

Ethene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Ethyne at YL Station - 1/2011 to 12/2011

Ethyne Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Propane at YL Station - 1/2011 to 12/2011

Propane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Propene at YL Station - 1/2011 to 12/2011

Propene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Benzene at YL Station - 1/2011 to 12/2011

Benzene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Cis-2-butene at YL Station - 1/2011 to 12/2011

Cis-2-butene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Ethylbenzene at YL Station - 1/2011 to 12/2011

Ethylbenzene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of I-butane at YL Station - 1/2011 to 12/2011

I-butane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of I-hexane at YL Station - 1/2011 to 12/2011

I-hexane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of I-octane at YL Station - 1/2011 to 12/2011

I-octane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of I-pentane at YL Station - 1/2011 to 12/2011

I-pentane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Isoprene at YL Station - 1/2011 to 12/2011

Isoprene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of M-xylene + p-xylene at YL Station - 1/2011 to 12/2011

M-xylene + p-xylene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of N-butane at YL Station - 1/2011 to 12/2011

N-butane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of N-heptane at YL Station - 1/2011 to 12/2011

N-heptane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of N-hexane at YL Station - 1/2011 to 12/2011

N-hexane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of N-octane at YL Station - 1/2011 to 12/2011

N-octane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of N-pentane at YL Station - 1/2011 to 12/2011

N-pentane Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of O-xylene at YL Station - 1/2011 to 12/2011

O-xylene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Toluene at YL Station - 1/2011 to 12/2011

Toluene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Trans-2-butene at YL Station - 1/2011 to 12/2011

Trans-2-butene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011

Diurnal variation of Trans-2-pentene at YL Station - 1/2011 to 12/2011

Trans-2-pentene Conc. (ppbv) vs Wind Condition - 1/2011 to 12/2011
